

## PTSA's Fall Fundraiser Event

Monday, August 25, 2008 was the kick off for our PTSA Fall Fundraiser. Your child should have come home with a packet of information for you. This year we are using a company called Great American Fundraising. There is a variety of items in the catalog as well as an online store.

Be sure to register your child on the website for online orders (instructions are in the packet).

Our school's ID # is 1056373

The website is [www.gafundraising.com](http://www.gafundraising.com)

### Online orders over \$60 receive FREE SHIPPING!

Parents, this is a great opportunity for 8<sup>th</sup> grade through 12<sup>th</sup> grade to earn community service hours. If they sell **3 items**, they will receive **10 hours of community** service. There was a typo on the student letter stating they must sell 1 item, however, they must sell **3**. Please accept our apology for any confusion.

If our school meets our goal of \$40,000, we will have a World Champion **BMX** bicyclist come from Chicago, IL to our school to perform a show. Elementary students must reach a goal of \$25,000 and **EVERY** student will attend the show, that's right **EVERY** student. Also if the Elementary Students reach their goal, Mr. Trafford will eat a can of ALPO. ☺

Middle School students must sell **5** items to get out of class and attend the show. ☺

High School students must sell **3** items to get out of class and attend the show. ☺

This is a **PTSA** fundraiser. This fundraiser helps with many things at our school including teacher mini grants, health fairs, teacher appreciation, 5<sup>th</sup> grade banquet, 8<sup>th</sup> grade banquet various elementary, middle school and high school functions and PTSA sponsored events.

**This fundraiser will run through September 8, 2008.** There is a reach out booklet (magazine) that is due on Wednesday, August 27 in order to receive a special prize.

Please feel free to email me with any questions you may have. Thank you so much for supporting our school. ☺
