

# Florida State University Parent Teacher Student Association

2008-2009 School Year

Dear Parents and Teachers and Students,

The number one priority for both of us is the well-being of our children. More than 30 years of research has proven that children do better when their parents and teachers are involved at school. Grades and test scores climb. Self-esteem grows. Schools improve.

**Help your child succeed: Join PTSA today. If you are already a member then please renew your membership.**

PTSA is America's number one parent involvement resource. By becoming a member, you will not only help your child in one of the most important ways possible but also receive valuable benefits: \$3.00 of your dues goes to state and national PTA to keep you connected to Congress when help is needed on issues important to children, schools and families.

Part of your dues goes back to the children's classrooms in the form of Elementary, Middle and High School project assistance.

The rest of your dues go to, graduation projects, teacher mini grants, student scholarships and many other events sponsored by PTSA throughout this year at Florida High.

Please join us. We are like you – looking for ways to help our children. Without each of us this organization does not work.

**If you join by October 30, 2008 you will be eligible for a drawing that will take place Monday, November 3, 2008:**

**For students and parents: 3 refunds of activity fees (We will return the equivalent of your corresponding activity fee) – one per family.**

**For teachers: 3 mini grant matches (We will match your application for a mini grant with another \$250) – one per teacher.**

**\*\* This drawing is for FSUS PTSA members only**

Fill the membership registration form (Make checks payable to FSUS PTSA) and return your fees to FSUS front office.

If you would like more information you can contact me at 850-383-9935.

Sincerely,

**Marie C. Aguirre**  
FSUS – PTSA/Membership Chair
