

"Wow!" Reflections Program Now!

The theme for the National PTA Reflections Cultural Arts Program is "Wow!" Students in all grade levels are invited to participate by showcasing what "Wow!" means to them through literature, musical composition, photography, visual arts, dance/choreography and film video.

Florida High students have the opportunity to advance to the county, state and national levels of the program. Certificates, recognition or awards are presented throughout this cultural arts journey.

The deadline for Florida High "Wow!" entries is November 7. Students can work on projects with approval or support from teachers or participate on their own. Parents are encouraged to support student efforts by providing the supplies needed for each category that the student wants to pursue.

To receive rules for any of the categories: literature, photography, visual arts, musical composition, dance/choreography or film/video, please contact Bonnie Abellera at leonpta1@yahoo.com or download the entry form and rules from www.floridapta.org (Reflections). If you would like to help with the Reflections Program please call Bonnie at 617-6052 or via e-mail leonpta1@yahoo.com.
