

“Diversity Means. . .”

2011-12 Florida PTA Reflections | FILM PRODUCTION RULES

Students must adhere to the General Student Participation Rules as well as the following Film Production Rules.

Description

A film production entry must be an original work of fiction or nonfiction relating to the current Reflections Program theme. Entries may be with or without sound.

The student submitting the entry must be the director, screenwriter, and camera person. If using a computer, the student must do all the work. If the student chooses to appear in the production, a camera on a tripod may be used. All storyboarding, editing, etc. must be done by the student.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme.

Styles

- **Animation:** Animation may be drawn; created from a collection of objects, clay, torn paper, etc., or computer-generated.
- **Narrative:** A story told through the images created on film or computer. (This is not the same as a storyteller narrating an original story.)
- **Documentary:** Nonfiction documentation using narration, facts, and images.
- **Experimental:** Video that explores movement, light, and montage.
- **Media presentations:** Computer-generated media presentations must be completely original, and the student must do all the work. Cutting and pasting from other sources is not permitted. In addition, the use of software that allows the user to build a virtual environment using prefabricated characters and elements is not permitted. Any software that is used to create an entry should be used only to enhance and present the work of the student, not to provide the primary design.
- **PowerPoint presentations will not be accepted.** Students must adhere to copyright laws. Software should be used only to enhance and present the work of the student. Due to the fact that most graphic elements of PowerPoint presentations are copyrighted clip art, use of this program is prohibited.

Presentation

- Entries may not exceed five minutes.
- The film should directly relate to the theme.
- The student submitting the entry is not required to appear in the film.
- Submit a DVD of a performance of the film.

Use of Other Copyrighted Material

Films may include public places, well-known products, trademarks, or certain other copyrighted material as long as that copyrighted material is incidental to the subject matter of the piece and/or is a smaller element of a whole. The resulting work cannot try to establish an association between the student and the trademark/business/material, or influence the purchase/non-purchase of the trademarked good.

Recommendations for Quality Recordings

- Use a tripod to hold the camera still.
- Make sure there is plenty of lighting, especially if shooting indoors.
- Turn off all noise-making devices in the room (air conditioners, fans, telephones, etc.).
- Make sure the background music (if any) is audible on the recording.

Student Entry Form

- Please complete all information on the Student Entry Form.

Then submit the Artist Statement in it’s entirety on a separate piece of paper. Include student name on the attached Artist Statement.
- The title of the music, the composer, and the performer(s) of any **background music** used in the film must be credited and documented on the Student Entry Form. If the entry’s connection to the theme is expressed in the song choice, this should be explained in the artist statement.
- List the names of the individuals that appear in the film. Please ensure each individual completes a Consent Form.

Packing

- Pack the DVD in a plastic or cardboard container; identify both the DVD and the container with the student’s name, grade division, state, and year.
- Then, pack the DVD along with the Artist Statement, and Consent Form(s) in a manila envelope that opens and closes with a clasp. The manila envelope should be at least 8.5 x 11 inches, as the forms inside should not be folded.
- Do not glue the envelope shut, as it needs to be able to be opened and closed through various stages of judging.
- Place the Student Entry Form in a clear sheet protector; then secure the sheet protector to the outside of the envelope with masking tape.
